

# Introducing Transcendent® Enterprise Asset Management Software

Transcendent® was developed with the simple premise that when maintenance is measured, assets last longer, run better and provide a better return on investment.

## What can Transcendent® do for my facility?

- ✔ Asset management
- ✔ Preventive maintenance
- ✔ Meter readings
- ✔ Work orders
- ✔ Work requests
- ✔ Contract management
- ✔ Document management
- ✔ Inspection management
- ✔ Ability to import all assets at once instead of a manual process
- ✔ Reporting dashboard that provides asset data from both web and mobile
- ✔ Property level dashboard providing at-a-glance look at trending issues property wide
- ✔ Standards-based interoperability

“ I had envisioned what the perfect facilities portal would be and what it could do for our company and Transcendent has met and exceeded those expectations. – Concord Hospitality ”
